Spectacular coastal view of Dana Point from the newly renovated Laguna Cliffs Marriott Resort & Spa.

From the OverVue Deck, guests can enjoy stunning views of the Pacific Ocean

The All-New Laguna Cliffs Marriott Resort & Spa

Laguna Cliffs Marriott Resort & Spa recently completed its full-scale, multi-million dollar renovation that has transformed the venerable ocean-side resort, providing guests with a new take on California casual elegance. The ambitious project included enhancements to the interior design, exterior structure and amenities of the resort. With the completion of this project Laguna Cliffs Marriott Resort & Spa unveiled completely refurbished guest rooms, 20,000 square feet of expanded indoor meeting and banquet facilities, a new porte cochère entrance and marble lobby with waterfall, a new pool and Splash Zone activity area for families and new, lush, eco-friendly landscaping.

"Our vision was to maintain and expand the position of Laguna Cliffs as the quintessential contemporary California ocean-side resort," said Jim Samuels, General Manager of Laguna Cliffs Marriott Resort & Spa. "Today we present an encompassing array of renovations and enhancements that blend casual sophistication with luxury and adventure to capture the essence of our guests' California dreams."

Upon driving up to the porte cochère, one gets the sense that they're stepping into a brand new resort. Aesthetic and functional improvements have been made to every one of the resort's 377 rooms. Each section of the resort's four guestroom wings received new luxurious, ocean-inspired furnishings, plush new floorings and sophisticated beach house décor with a variety of amenities from new LCD television sets to technological upgrades including faster Internet access. Outside the hotel, the resort's landscape has been enhanced for more environmentally-friendly maintenance, and cosmetic and structural upgrades were made to the roof and windows.

With something to satisfy every taste Laguna Cliffs Marriott Resort & Spa offers two dining options with VUE and OverVue. The award-winning restaurant VUE has a diverse menu, giving a local flair to a number of traditional favorites. A rich and varied wine list and an elegant yet casual atmosphere complete the dining experience. Dining is available for breakfast, lunch or dinner and guests can choose from indoor or outdoor seating.

The new OverVue Lounge and deck is perfect for cocktails, dining and entertainment in a casually sophisticated setting. The new lounge with a dramatic water and fire feature creates a warm and friendly ambience. Guests may enjoy indoor and outdoor seating, and stunning Pacific Ocean views in a breathtaking natural setting atop historic Dana Point.

Laguna Cliffs Marriott Resort & Spa is a golfer's paradise offering the perfect balance between a relaxed beach side vacation and an adventure on the green. The resort is in a prime location only minutes away from world-class golf courses. Laguna Cliffs Marriott has partnerships with two of the top golf courses in Southern California – Monarch Beach Golf Links and Talega Golf Club.

With an intriguing layout in the Scottish links tradition, the Monarch Beach Golf Links is one of the select few ocean front golf courses in the state. The par 70 Championship course stretches over 6,600 yards and is located 1 mile from the resort.

Talega Golf Club is set in the lush green hills of San Clemente among gorgeous lakes and waterfalls. It features an 18-hole, par 72 Fred Couples "Signature" championship golf course ranked American's top Golf course by Golf Digest, ESPN, and Zagat Survey.

As an added bonus Laguna Cliffs Marriott Resort & Spa guests can golf at Bella Collina Towne & Golf Club. Bella Collina is a private club, exclusive to members only, however, guests at the Laguna Cliffs Marriott Resort & Spa can also take advantage of this beautiful golf course with no membership required by booking our Escape! Stay and Play Package. With this package guests enjoy overnight accommodations, as well as a complimentary round of golf at Bella Collina and two drinks.

Laguna Cliffs Marriott Resort & Spa also offers two other Escape! golf packages. Guests can take advantage of Escape! Two Rounds Golf Package or Escape! One Round Golf Package that includes overnight accommodations at Laguna Cliffs Marriott Resort & Spa, two / one complimentary round(s) of golf at Talega Golf Club, and complimentary parking.

Whether golfers are looking for a challenge or a time to unwind, they will find Four Diamond accommodations with a world-class golf experience at Laguna Cliffs Marriott Resort & Spa. For more information, pricing or to book a package visit http://www.lagunacliffs.com/rates_and_packages/.

In addition, the award-winning full-service destination spa and pools received a complete makeover. The Spa at Laguna Cliffs, a 14,000 square foot facility provides guests unlimited opportunity for rejuvenation and relaxation. The Spa features separate men's and women's changing areas with private lockers, whirlpool, wet steam and dry sauna rooms, and Swiss showers with 14 shower heads. The Vichy Shower is a "rain bar" that provides a gentle cascade of water used as a complement to any of our body treatments. We also offer a deluxe spa suite with private outdoor whirlpool tub, steam showers and a treatment room built for two.

The two pools have spectacular ocean views and have been upgraded to feature a new family pool with Splash Zone, water cannons, surf boards under a water curl and other family-friendly amenities.

With the corporate guest in mind Laguna Cliffs Marriott Resort & Spa also made significant upgrades to its 50,000 sq. ft. meeting and conventions facilities making it one of the most technologically advanced group facilities in California.

"Laguna Cliffs Marriott Resort & Spa made the conscious and strategic decision to undergo this aggressive project during a down market," Samuels added. "As the economy begins to improve, we are proud to introduce a completely new Laguna Cliffs, a resort that is sure to exceed the expectations of leisure travelers and groups, and is attractive in terms of price as well as deliverables."

The Laguna Cliffs Marriott Resort & Spa has blended coastal elegance and a sunny décor that reflects the spirit of Dana Point. The epitome of the Pacific and the Southern California dream can be found at the new Laguna Cliffs Marriott Resort & Spa.

Take the Runway Less Traveled With Fractional Ownership

King Air Shares are immediately available

West Coast's King Air 350

Get onboard! Fractional ownership is the fastest growing segment of business aviation. Why? Owners enjoy the benefits of aircraft ownership for fraction of the price and none of the headaches. With West Coast Aircraft Shares Program, acquisition costs are low, management and operational costs thereafter are predictable, and aircraft availability is guaranteed.

The size of share purchased determines the number of annual flight hours available to the Owner. Buyers may purchase as little as one-eighth of a King Air B200 or King Air 350 and pay *fixed* monthly management fees. The flexible program even allows you to "borrow" from your next year's allocation, when necessary.

When you buy a fraction of one King Air, you buy access to an entire fleet of King Airs. This means that you do not worry about maintenance down time or flight crew constraints. *Availability is guaranteed* with minimal advance notice.

West Coast's Southern California-based fleet primarily serves the Western United States, Canada and Mexico. Owners do not pay for aircraft re-positioning within the Primary Service Area of 1000 nm. As an added benefit the program also provides access, through an interchange agreement, to West Coast Charters' fleet of charter jets which includes Hawkers, Citations, Astras and Lear's.

This program provides Owners with a turnkey flight department that manages maintenance, flight crews, operations, and administration and ensures quality, convenience, safety, service and dependability at a low cost. And, unlike many fractional programs, owners fly in familiar aircraft with familiar flight crews.

Proudly Celebrating Five Years Arroyo Trabuco Golf Club Provides An Unforgettable Golf Experience

Arroyo Trabuco Golf Club in Mission Viejo is committed to providing an unforgettable golf experience at affordable rates on par with the best high-end courses in the area. Situated adjacent to The Reserve at Rancho Mission Viejo and offering a pristine park-like setting with no homes on the property, Arroyo Trabuco has been recognized as the "Best Value in Orange County" in the ZAGAT Survey® for the past four years.

Designed by PGA Tour Professional Tom Lehman and golf course architect Casey O'Callaghan, this challenging public facility is a favorite destination for local golfers, corporate groups, charity events and social functions. Located less than one mile east of the 5 Freeway on Avery Parkway, Arroyo Trabuco is easily accessible.

Following a round of golf, O'Neill's Bar and Grill with its rich, rustic feel is the perfect setting to relax and dine on the award-winning barbecue. With a varied menu, there is something to satisfy any taste.

On par with the barbecue is a special promotion in O'Neill's for the golfer after the round. The cost of your first draft beer is the score you shot.

Corporate golf outings and charity events ranging in size from 16 to 300 have become a signature of the first-class experience at the club. The professional staff offers a complete turnkey package customized to meet all your needs. Following the event, the large Trabuco Ballroom or the outdoor patio overlooking the 18th green is the perfect setting to host your guests.

The professional teaching staff includes nationally-recognized instructors, Dr. David Wright, Bob Lasken, former U.S. Women's Open Champion Sandra Palmer and 2007 U.S. Open participant Michael Block. Arroyo Trabuco also offers on-site fitting and repair service to meet all equipment needs.

For more information contact the club at 949-305-5100 or visit their website at www.arroyotrabuco.com

Arroyo Trabuco Golf Club, proudly celebrating five years, offers golfers a high-end experience without the high-end price.

Each of the 400 Guest Rooms at the St. Regis Monarch Beach offers incredible Pacific Ocean and golf course views

St. Regis Monarch Beach Experience the Best Address

Few golf experiences can match the blend of stunning natural beauty and variety of challenges presented at Monarch Beach Golf Links, part of the St. Regis Monarch Beach. Here, along the dramatic bluffs of Southern California, master architect Robert Trent Jones Jr. has fashioned an intriguing layout in the Scottish links tradition on one of the select few oceanfront golf courses in California.

Commanding sweeping views to the sea, this par-70 championship course plays over 6,600 yards and offers an unending variety of play. Quality and service are at the core of the golf experience at Monarch Beach Golf Links, which offers a full range of amenities for every guest. Open to the public year round, Monarch Beach Golf Links is the perfect golf option to guests staying at the adjacent St. Regis, Monarch Beach.

Additional amenities

The golf shop at Monarch Beach Golf links offers guests top-of-the line golf apparel and state-of-the-art equipment. The shop is staffed by well-trained golf professionals who are more than happy to assist a guest with making a decision on which merchandise to purchase.

Locker rooms for both men and women can be found at the golf clubhouse, and warm-up tee boxes and practice putting greens are available for guests to warm-up before their round. Monarch Beach Golf Links offers guests numerous instructional opportunities taught by highly qualified PGA professionals. Additionally, for those guests who decided not to bring their clubs, a large selection of rental clubs is available.

Challenges for all golfers

This Troon Golf®-managed course, which opened in 1983, features rolling greens and tight fairways, providing a challenging round for golfers of any skill level.

A quick look at a few of the signature holes at Monarch Beach Golf Links:

- **Hole #3:** The signature hole at Monarch Beach, this short 315 yard par 4 plays right along the ocean. Out of bounds lines the right side and behind the green, and bunkers line the left hand corner of the fairway. A long iron or fairway wood played to the center of the fairway is the smart play, but long hitters can try to cut the corner and drive this three-tiered green with deep grass bunkers behind.

- **Hole #4:** Measuring 185 yards, this par three features a very large green with three deep bunkers lining the right and left side. When the pin is tucked left, aim for the center of the green and pray for a two putt.

- **Hole #5:** This 217-yard par 3 features a spectacular view of the clubhouse and hotel. Better hit the green in regulation, because bunkers surround the left and back of this severely left to right sloping green and the right side is guarded by water. Deep pin locations can cause headaches for the best of putters.

St. Regis Monarch Beach

Each of the 400 guestrooms at this five-diamond resort offers incredible Pacific Ocean and golf course views. The resort is located in Dana Point and is just off the Pacific Coast Highway. Dana Point is an exclusive beachside community and one of Orange County's oldest communities. The community's resort-style atmosphere, quaint shops and majestic harbor, combined with its coastal location, create one of Southern California's most desirable destinations.

Spacious guest rooms with gorgeous views, an exclusive beach club with "Surf Butlers," and award-winning Spa Gaucin, six ocean-view restaurants and on-site championship Monarch Beach Golf Links are just some of the reasons to visit the St. Regis Monarch Beach.

Deep bunkers flank a large green on hole #4

As evidenced in this view of the 18th hole, few golf experiences can match the blend of stunning natural beauty and variety of challenges presented at Monarch Beach Golf Links

Landscaped nature trails, accessible by resort tram only, lead to a 6.1-acre beach with exclusive access to the Monarch Bay Club, a private beach club. The Beach Club is situated directly on one of the best and most exclusive beaches in Southern California. Registered guests of the St. Regis Monarch Beach are able to enjoy food and beverage facilities and other beach activities by calling their "Beach Butlers," or if personalized surfing lessons are on the agenda, call a "Surf Butler!"

Delectable dining

Dining options abound at the resort, with the most unique being The Wine Cellar. This venue is the ultimate private dining location, perfect for intimate receptions, smaller group events and catered functions for up to 50 people. The Wine Cellar features 100-year-old, French paved flooring and stone walls, creating a "cellar-like" ambiance. The cellar has an authentic feel, with mahogany and custom iron furnishings, an oval wooden tasting table and an extensive wine inventory of over 17,000 bottles from around the world.

Celebrated Chef Michael Mina has teamed up with world-renowned designer Tony Chi to create Stonehill Tavern, a one-of-a-kind dining experience at the St. Regis Monarch Beach. Mina's Modern American menu, featuring his signature small plate trios, allows guests to enjoy their favorite menu items in three distinct preparations. Chi has created a contemporary, sophisticated dining room that is the perfect setting for Mina's artful interpretations of classic American Tavern fare. In addition to the handsomely appointed dining room, Stonehill Tavern also offers an outdoor terrace for dinner or cocktails while enjoying a Pacific Ocean sunset; a warm and inviting bar and lounge; and a private, fireside dining room well-suited for larger groups or business dinners requiring more privacy.

At Motif, a delectable culinary experience awaits, with Executive Chef Frederic Castan at the helm. The cuisine, reminiscent of a European style café, features an eclectic array of dishes to be enjoyed in the warm, hospitable atmosphere that overlooks an amazing ocean views.

Club 19, the clubhouse restaurant at the Monarch Beach Golf Links, features a la carte choices of American favorites. Overlooking the first tee with ocean and golf course views, guests may dine on the patio or relax at the bar with a cocktail after their round.

The St. Regis Monarch Beach offers guests enticing amenities, including three swimming pools: the Main Pool, family-oriented Lagoon Pool and the three-lane Lap Pool, located at the Spa Gaucin fitness center. The Main Pool offers daily cabana rentals, which includes a private patio, 32-inch flat screen television, DVD video system, CD stereo, fax machine, cordless telephone, ceiling fan and wireless Internet access.

For those bringing their children, the Sandcastle Kids Club offers the perfect array of activities. The club offers an exciting schedule of energetic, creative and highly satisfying activities for children aged 5-12 years. All the games and excitement have been planned to provide optimum levels of entertainment and fun while nurturing each child's inquisitive and creative mind. From the Ocean Institute, children's Yoga or etiquette classes to tennis classes, Wave Riders, or Kidz Night Out on Friday evenings, options abound!

Whether visiting for business or pleasure, with or without kids, there is something for everyone at The St. Regis Monarch Beach and the Monarch Beach Golf Links.

(Choice of One)

Carrot Cake
Legendary Hot Chocolate Cake

Morton's is dedicated to the pursuit of unparalleled service and sophisticated dining options – especially when

Don't forget to complement your entrée with a flawless chardonnay or cabernet from Morton's awe-inspiring wine list

honoring the special dad in your life. Also available on Father's Day and every other day is Morton's signature menu. Enjoy succulent USDA prime-aged beef, including Morton's juicy double porterhouse, signature New York strip, double cut filet mignon and Chicago-style rib eye.

Morton's became a must on the dining scene in 1978, when the steakhouse first opened on Chicago's State Street. Now with locations worldwide, Morton's is serving the good life globally, from the California coast to Southeast Asia. The best steak anywhere is truly the best steak everywhere.

Although Morton's made its name with steak, there are plenty of other delicious options for dad, such as double rib lamb chops and the restaurant's famed Chicken Christopher.

And there's seafood that simply makes a splash, including colossal Shrimp Alexander, whole baked Maine lobster and Alaskan king crab legs.

Don't forget to complement dad's entrée with a flawless chardonnay or a cabernet from Morton's awe-inspiring wine list.

The perfect ending to a celebration can be found on Morton's dessert menu, filled with sumptuous treats like carrot cake, New York cheesecake and a legendary, applause-worthy hot chocolate cake that oozes molten cocoa.

But steakhouse dining isn't solely what Morton's has to offer – Bar 12-21 is an exciting place to gather as well. Sip in style at Bar 12-21, where the cocktails are smooth, the food is fabulous and the atmosphere is comfortable.

An evening in Bar 12-21 wouldn't be complete without Bar Bites. True to form, these selections put ordinary bar food to shame. Indulge in petite filet mignon sandwiches, chicken goujonettes, oysters on the half shell, blue cheese steak fries and more.

Superb steak. Delicious drinks. Impeccable service in an atmosphere that's distinctive and chic. At Morton's, the good life is always on the menu.

Spend time with dad this Father's Day in an atmosphere where he'll relax and truly enjoy himself. Morton's is the perfect venue to show dad the time of his life!

Vacation homes unlike any other in Mammoth...or anywhere else

80150 Mammoth is the Private Residence Club in the heart of the Village at Mammoth Lakes. Surrounded by the craggy magnificence of the Eastern Sierra Mountains and named in honor of its breathtaking altitude of 8,050 feet, 80150 is the place that you have always dreamed of owning a residence at and now is the time. Sophisticated. Elegant. Impeccable services and amenities coupled with a friendly, comfortable attitude. You feel at home from your first visit. Nurtured. Free to roam and play. It's the perfect escape from the day-to-day, from season to season and year after year.

80150 Mammoth includes twenty-eight one-, two-, and three-bedroom residences. Luxurious, elegant furnishings and fixtures highlight each room. The residences echo the astonishing beauty of their natural surroundings through the artful blend of rustic mountain elements, including flagstone, burnished wood, copper, leather, granite and slate. Expansive windows frame breathtaking mountain views.

Life. Style.

A few steps from your residence deliver you to the Village Gondola via a private skybridge. As an Owner, you're just minutes from 3,500 acres of some of the deepest, most abundant snow in the country. Ski, snowboard, cross-country ski or snowshoe to your heart's content. At the end of the day take a break, sit by a roaring fire or relax in our rooftop deck spas and savor the day's events.

Summers at 80150 Mammoth are just as addicting for our Owners. Hike, mountain bike, golf, swim, fish, hunt, climb, horseback ride and boat—the list of activities is nearly limitless. The only problem is there really aren't enough hours in the day.

Comfortable surroundings of burnished leather, handsome woven rugs and the fieldstone and marble fireplace make the great room a perfect gathering place

An aerie at the top of 80150 Mammoth, the Owners' Rooftop Lounge and Spa is a stunning sanctuary for Owners. Tranquil. Scenic. Peaceful. Fun.

But there is plenty of sunshine—an average of more than 300 days a year.

And if your idea of sport is to stroll through the Village at Mammoth Lakes and flex your shopping or nightlife muscles, 80150 Mammoth is the place for you. Delightful boutiques, delectable restaurants, spa services, arts and culture are all a short stroll from your residence.

A sick executive is bad for a company's health.

Studies show that executives who had a physical exam had 20% fewer health claims and lost 45% fewer work days than those who did not.

Five Star Dental Practice Opens Second Location at Irvine Spectrum

Cornerstone Dentistry, a nationally recognized dental practice has opened its second location at 153621 Alton Parkway, in Irvine. "We have a perfect practice model for those individuals who are seeking a high level of service and one to one attention when they visit a dentist," says Allen Nazeri DDS, the founder. He adds, "Our practices are not about the quantity of patients seen in a given day but the quality of care and attention to details."

Both Cornerstone Dentistry's locations (Palm Desert and Irvine) resemble a high-end hotel and offer a dental staff comprised of individuals that are highly experienced and trained. Both locations offer advanced general dentistry, cosmetic and implant dentistry. The practices are both licensed and trained to fit athletes—including golfers—with the popular Pure Power Mouth guards™ to improve strength and balance.

"We have invested a substantial amount of capital in digital technology, including our 3 D cone beam which allows us to show our patients exactly what is going on with their bones and teeth," says Sandy Olson, director of patient services at Cornerstone.

Cornerstone's company mission, practiced on daily basis, is to exceed patients' expectations by providing individualized, high quality, comprehensive dental care in a non-traditional setting. Floral arrangements, antiques, art, fine furniture and calming scents are all part of the Cornerstone experience. Staff care and patient pampering is the rule, not the exception. After long and complex dental procedures, patients may receive a nutritious meal at home. When needed, transportation will be provided.

Appointments can be made by calling 949-789-0303 and by visiting online at www.cornerstonedentistry.com

Five Star Palm Desert practice now open in Irvine

Join Rod Carew for his 15th Annual Children's Cancer Golf Classic

On Monday, August 23, baseball hall-of-famer Rod Carew will kick off his 15th Annual Rod Carew Children's Cancer Golf Classic at Coto de Caza.

Rod lost his daughter, Michelle, to cancer and has dedicated his life to helping other kids avoid the same fate. With that in mind, Rod linked up with the Pediatric Cancer Research Foundation to build what has become one of the premier charity golf tournaments in Orange County. The play is held on both the North and South courses and the field of 288 annually sells out.

Last year, the tournament welcomed not only a full field of OC golfers but also a young 8-year-old child golf prodigy, Kyle Lograsso, who wowed the crowd with his golf swing and his positive attitude in beating back cancer. Every tournament brings home an inspiring message.

Participants enjoy one of the most lavish tee packages offered at any tournament and have the comfort of knowing they are supporting a very worthy cause. Says Leonard Shulman, president of Shulman Hodges & Bastian LLP: "Our firm has been a long-term supporter of this tournament. Not only is it an enjoyable event, but the money raised goes directly to fund pediatric cancer research."

After golf, participants enjoy a cocktail reception, live and silent auction, dinner and program.

For more information on the tourney, visit www.pcrf-kids.org or call 949-859-6312.

Are You Fit To Play Golf?

It is not a surprise that your state of health and fitness has an impact on your golf game. Good golf fitness can improve your flexibility, stability, strength and power. Good health and fitness can assist you in improving your golf enjoyment as well as your golf scores.

Mission Center for Longevity & Aesthetic Medicine is a new center for executive wellness affiliated with Mission Hospital. Their mission is to assist individuals in improving and maintaining their physical and mental health so that they can continue to live an active and healthy lifestyle as they age. Individuals are living longer and should be able to enjoy the game of golf well into their eighties and even nineties! Good health and fitness can assist an individual in adding distance to their drives, reducing their handicap, hitting the ball consistently and playing 18 holes without fatigue.

Good Health is often described as freedom from pain, looking your best, feeling good and performing your best. The Personal Wellness Profile provides the patient with scores in the following areas of wellness:

- Coronary Risk
 - Cancer Risk
 - Fitness Status
 - Stress Status
 - Nutrition Status
- Mission Center for Longevity & Aesthetic Medicine combines the basics of an extensive physical examination with the following unique features that are not available at most centers:
- Exercise Tolerance & Pulmonary Function Test utilizing V02 Max Technology
 - Carotid Intima-Media Thickness Test (CIMT)
 - Peripheral Vascular Disease Testing
 - Skin Cancer Screening utilizing Digital Mole Mapping Technology
 - Visia Complexion Analysis System
 - DEXA Scan Bone Density Test with Body Composition Analysis

Dr. Jesus M. Valadez and Dr. Kenneth L. Rexinger, both board certified in Internal Medicine, along with a team of Health & Longevity Specialists assist in guiding patients through the examination. The richly appointed changing room is equipped with lockers and an expansive shower area with all of the amenities necessary so that following the examination, the patient can be ready to go about their day.

Please contact Mission Center for Longevity & Aesthetic Medicine at 949-364-2440 for more information or visit their website at www.missionlongevity.com.
