

THE LIST

LARGEST VALLEY BANKS

Ranked by assets as of March 31, 2010

EXECUTIVE SUMMARY

This year's Banking List is virtually identical to last year's rankings. The sole exception being Community Bank taking the top spot, forcing last year's leader First California Bank down to the no. 2 position. Keeping with this overall consistency,

most of the banks reported similar figures with only First Private, Mission Valley, Santa Clara, First California and Western Commercial showing a slight drop in assets.
