Your Guide to the 2016 Toshiba Classic

The Toshiba Classic, presented by Kingston Technology, is celebrating its 22nd year of competition, teeing off Friday, October 7 and running through Sunday, October 9. The Toshiba Classic traditionally features the best field on the Tour, and this year is no different, headlined by PGA Champions Tour rookie John Daly.

The Toshiba Classic is more than just a golf tournament though – it is a social gathering with golf’s living legends that provides an opportunity to give back to the Orange County community in a multi-million-dollar way. Benefiting Hoag Hospital’s Mary & Dick Allen Diabetes Center, more than 80,000 golf fans will convene at the Newport Beach Country Club to take in the action, making it the largest single sporting event in Orange County each year. With non-stop action, a lively atmosphere, first-class seats and affordable ticket prices, the Toshiba Classic is a great entertainment option for a group of friends, corporate partners and families.

Engage with the Toshiba Classic on Facebook at www.facebook.com/ToshibaClassic, and follow the tournament on Twitter and Instagram (@ToshibaClassic) for fun social content, behind-the-scenes photos and video, and contests. In fact, cruise through the Toshiba Classic’s social media tent adjacent to the first fairway to take photos, share content and more!

MONDAY, OCTOBER 3
Newport Beach Country Club will be closed to the public.

TUESDAY, OCTOBER 4
Today features the annual Toshiba Classic Breakfast with a Champion presented by Allergan at the Balboa Bay Resort. Two-time PGA TOUR Major Champion and PGA Champions Tour rookie John Daly will keynote the event and join a long list of golf legends who previously served as guest of honor, including Mark O’Meara, Hale Irwin, Lee Trevino and Tom Watson.

The lighthearted and entertaining event will give attendees the chance to hear the charismatic Daly reflect on his storied career, which was highlighted by the ’91 PGA Championship and ’95 British Open. A limited number of 10-person tables are still available at a cost of $1,500. To purchase tickets, email Gus Scheidemann at gscheidemann@toshibaclassic.com.

The Newport Beach Country club will be closed to the public this day.

WEDNESDAY, OCTOBER 5
The Toshiba Classic Pro-Am kicks off on Wednesday, which gives patrons the incredible chance to get up close and personal with some of golf’s most prolific players and biggest personalities. Follow your favorite golfers during the two-day golf event that precedes the tournament’s Friday start. This entertaining event is the perfect time to interact with the players. Come out and welcome some of golf’s legends to beautiful Orange County.

THURSDAY, OCTOBER 6
The second day of the Toshiba Classic Pro-Am gets underway, with shotgun starts at 7:45 am and 1:15 pm. Come out and enjoy the beautiful day with golf’s legends before tournament play commences Friday.

FRIDAY-SUNDAY, OCTOBER 7 – 9
Let the tournament fun begin! The opening round of the 22nd Toshiba Classic kicks off at 10:30 am, where spectators will be treated to one of the PGA Tour Champions most popular events and competitive fields. Watch as 81 players vie for the Toshiba Classic crown, including more than eight World Golf Hall of Fame members – such as Mark O’Meara, Bernhard Langer and Fred Couples. Couples, the 2014 champion, is expected to compete for his third Toshiba Classic title in the last seven years. Visit www.ToshibaClassic.com/tickets to purchase tickets.

Friday: New this year is Womanology 2016, a special event focusing on women’s health and well-being. In partnership with Hoag and our sponsors – Allergan, Digna and RightSourcing – attendees will be led on a journey to better health and enhancing their well-being from 7:30 – 11 am. With women’s health issues constantly evolving, the Toshiba Classic is changing the Women’s Business Day format to make it more relevant to the issues facing women today. Attendees will explore an interactive gallery, mingle, and enjoy cocktails and brunch. Attendees are invited to stay to watch the opening round of golf following the event. For tickets, contact Gus Scheidemann at gscheidemann@toshibaclassic.com or 949.660.1001. Seating is very limited.

Saturday: On Saturday, October 8, we celebrate our servicemen and women during our second annual Military Appreciation Day presented by Microsemi. As part of Military Appreciation Day, all Active Duty, Military Reserve, National Guard, Military Retirees and Veteran – and up to three (3) of their guests – will once again be honored with complimentary admission and food and beverage vouchers to thank them for their service to our country. Fans can also leave messages to honor our men and women in uniform at the Messages for Military wall. For tickets and more information, please visit www.toshibaclassic.com/fans/events/military-appreciation-day.

Sunday: The Toshiba Classic Inaugural Student Day will be on Sunday, October 9. Students age 18 and under get in free, and they may also participate in the Student Day Putting contest with opportunities to win scholarships, local attraction tickets, tournament merchandise, golf equipment and more. For more information and to RSVP today, please visit www.toshibaclassic.com/fans/events.

The Toshiba Classic offers more than just golf: enjoy one of the most exciting tournaments on the Champions Tour by visiting the Coors Light Sports Bar on the 1st hole, where fans can watch college football all day Saturday and NFL games on Sunday, while enjoying a cold Coors Light.

At Hoag Health Village, Hoag provides a full spectrum of health care services that includes five institutes providing specialized services in the following areas: cancer, heart and vascular, neurosciences, women’s health and orthopedics. Come see why Hoag is Orange County’s most preferred hospital for the past 18 consecutive years.

Get behind the wheel of the all-new S90 and immerse yourself in the Volvo Auto Experience at the Toshiba Classic. See Volvo’s full line of vehicles and learn more about their brand, philosophy and technology surrounding Safety, Environment, Design and Future Mobility.

Lastly, don’t forget to make your way to the 18th hole on Sunday for what’s sure to be an entertaining finish to the Toshiba Classic, where the 2016 winner will be crowned following play.

GET YOUR TICKETS!
Save $5 off a one-day ticket to the 22nd Toshiba Classic by purchasing in advance! The $25 advanced-purchase price for any one-day ticket ($30 at the gate) allows you to walk the course virtually next to the golfers. Every day of the tournament, kids 11 and under are free. For tickets, visit www.ToshibaClassic.com/tickets or local Roger Dunn Golf Shops.

Military members: To register for your complimentary tickets during Military Appreciation Day on Saturday, October 8, please visit www.ToshibaClassic.com/fans/events/military-appreciation-day.
Tee up

Diabetes Education

The Allen Diabetes Center is one of the largest diabetes education programs in Orange County, providing education and classes to give you freedom and control over your diabetes. Topics range from managing medications to monitoring stress to exercising and cooking at home.

We salute Toshiba, all the sponsors, and volunteers for their commitment to our community over the past 20 years.

It is because of the generosity and support of the community and organizations like Toshiba that the Mary & Dick Allen Diabetes Center is able to provide comprehensive services for those with, or at-risk of, diabetes regardless of their ability to pay.

* Kids 11 and under get in free Wednesday, October 5 – Saturday, October 8
* Kids 18 and under get in free Sunday, October 9 only

As we near the 22nd anniversary of the Toshiba Classic – and 19th year since Hoag took over as host and operator of the tournament – the Toshiba Classic has now generated more than $18 million for charity, the most on the PGA Champions Tour. Toshiba and Hoag are equally as proud of their dedication and commitment to the Orange County community. No other event on the PGA Champions Tour has raised more money for charity than the Toshiba Classic. In fact, tournament sponsor Toshiba America Inc. is the longest running title sponsor on the PGA Champions Tour, enforcing a commitment to the community and cause that the rest of the Tour seeks to emulate.

Proceeds from the 2016 Toshiba Classic will benefit the Mary & Dick Allen Diabetes Center at Hoag, which provides comprehensive services for those with, or at risk for, diabetes, regardless of their ability to pay. Last year’s Toshiba Classic generated more than $1 million for the Allen Diabetes Center, and the tournament has generated $1 million a year to benefit Hoag Hospital and other community charities throughout its history.

The American Diabetes Association estimates nearly 26 million Americans live with diabetes and more than 79 million Americans are at increased risk. Recognizing Orange County is deeply affected by this chronic disease, the Allen Diabetes Center is dedicated to making a positive difference in the lives of people with diabetes through its clinical, educational and support services. For more information, visit www.hoag.org/diabetes.

In addition to the tournament’s charitable impact, the community has benefited from economic impact as well – to the tune of more than $28 million per year. The Toshiba Classic fills hotel rooms, restaurants and businesses during the competition, and thanks to television broadcast on the Golf Channel in the U.S. – and internationally on PGA Tour television partners overseas – the exposure for the Orange County community provides benefits that are both incredibly positive and immeasurable.

Power Management
A New and Exciting Newport Beach Country Club

As the Toshiba Classic enters its 22nd year, we also celebrate the 21st anniversary of the Newport Beach Country Club hosting the event – the longest on the PGA Champions Tour by a wide margin. NBCC is extremely important to this event and community, and their commitment is extraordinary in the world of golf, which sees host courses and sponsors constantly change.

Newport Beach Country Club recently unveiled its new $44 million, 56,000-square-foot clubhouse this summer. The stunning two-story facility replaces the former clubhouse that opened with the club’s founding in 1953, and now boasts world class-dining, with state-of-the-art fitness, event and social facilities.

The new family-friendly clubhouse can accommodate 900 members and guests, and invites them to soak in the beautiful panoramic views of the blue Pacific Ocean and vibrant green fairways of its championship golf course. The Seahorse restaurant has indoor/outdoor seating for up to 150 people, with a private dining area for up to 120. The quintessential California approach to fine dining is a must for any stopping by during tournament week.

The new clubhouse truly represents the complete country club experience, with resort-style amenities that will leave even the most affluent guests in awe.

For more information about the Newport Beach Country Club, please visit www.NewportBeachCC.com or call 949.644.9550.

Thank You Volunteers

The volunteers of the Toshiba Classic share the same passion to deliver a great PGA Champions Tour event for the fans as they do to raise money for local Orange County organizations. In fact, volunteers alone have generously donated more than 300,000 hours to make the tournament happen over the last two decades. The volunteers for the last 22 years define what makes the Toshiba Classic so special for fans and golfers alike.

Thank you to all of our wonderful volunteers!
Greater Newport Physicians (GNP) is once again pleased to sponsor the Toshiba Classic. GNP, an Independent Practice Association (IPA) established in 1985, has been a proud sponsor of the tournament for over a decade.

“We are proud to support this tournament,” said Diane Laird, CEO of Greater Newport Physicians. “We are happy to come back year after year to see our patients and colleagues in our community of Newport Beach. Many of the tournament participants tell us they have been seeing Greater Newport Physicians for years.”

Over 30 Years of Caring
Since 1985, GNP has become one of the most experienced and respected physician groups in the Orange County and Greater Long Beach areas, earning the California Association of Physician Groups (CAPG) 4-Star Elite Status. It has also been recognized by Integrated Healthcare Association as one of the top performing groups in California and received the Department of Managed Health Care’s Right Care Initiative Award. “But the difference we make in our patients’ lives is our true reward,” says Ms. Laird.

GNP offers exceptional care, convenient access and personalized service. Today, more than 175 highly skilled primary care physicians and 700 contracted specialists in offices stretching from Long Beach to San Clemente provide care for nearly 100,000 community members in private practice settings.

GNP’s relationship with MemorialCare Health System provides the IPA with unprecedented growth opportunities through access to Long Beach Memorial Medical Center, Miller Children’s and Women’s Hospital, Community Hospital Long Beach, Orange Coast Memorial Medical Center and Saddleback Memorial Medical Center. GNP offers more options to members and the communities served from Long Beach in the north to San Clemente in the south.

“We are able to accept a wider variety of HMO plans, including some exciting, new specialized products which feature Greater Newport Physicians as part of an exclusive network of high-performing medical groups and health systems; something many employers are looking for in today’s economic landscape,” continued Ms. Laird.

With open enrollment season beginning for many companies, as well as Medicare beneficiaries, it is important to note that the value of a local IPA is access to a wide selection of primary care physicians connected to a network of specialists and other care providers. GNP supports its physicians with systems and programs to help them care for patients and also provides affiliated physicians with access to innovative technology. GNP is comprised of hundreds of experienced and trusted community physicians, which means health care decisions are made on a local level to provide high-quality health care services to residents in the communities it serves.

For more information about Greater Newport Physicians, please visit GNPweb.com or call 800.553.6537.

Diane Laird

As the founding CEO of Greater Newport Physicians (GNP), Diane Laird provided the vision and leadership to establish and build an award-winning independent practice association in partnership with more than 800 local physicians. Ms. Laird earned her bachelor’s degree in Biological Sciences from University of California, Irvine and her master’s degree in Public Health from University of California, Los Angeles. She is an active board member of CAPG, a trade association which represents more than 150 physician groups in California who care for more than 13 million California residents. Ms. Laird participates in medical group CEO roundtables, integrated health care system associations and serves as a panel presenter at various health care conferences. In 1994, she received the Women in Business Award from the Orange County Business Journal and in 2005, completed the leadership series of the California Healthcare Leadership College.
Headquartered at John Wayne Air
port in Orange County, California (KSNA), West Coast Aviation Services has
been delivering exceptional aviation services for nearly 30 years. Established in 1987, we are the
longest operating charter service provider at the airport, serving clients seeking flexibility, privacy
and convenience for their air travel needs.

West Coast Aviation Services has the largest King Air 350 fleet in
the Western Region which services our successful fractional
shares program. Through an alliance with KMR Aviation,

Southern California’s largest
Challenger 604 operator, our combined
charter fleet extends to more than 30
certified aircraft ranging in size
from turboprops to light, mid-size; and
large-cabin, long-range jets. Additionally, we have access to a vast
number of diverse aircraft types from
vetted charter operators to offer
greater options to clients traveling for
business, pleasure, or to the next golf
destination, nationally or
internationally.

Our extensive service portfolio
includes aircraft management, sales
and acquisition, and maintenance and
parts services. Our Part 145
maintenance facility at the Long Beach Municipal Airport (KLGB) is Southern
California’s Hawker Beechcraft
Authorized Service Center and Piper
Service Center, the authorized vendor
for Raisbeck Engineering and
Blackhawk, and dealer for Garmin,
Rockwell Collins and Bendix King
Avionics, among others.

At West Coast Aviation Services, we
feel it is important to give back to the
communities we serve. We support
organizations such as Miracles for
Kids, Big Brothers Big Sisters of
Orange County and Augie’s Quest.

To learn more about efficient, cost-
effective options to match your air
travel needs, contact West Coast
Aviation Services at 800.352.6153 or
at charter@wcas.aero.
According to the American Diabetes Association, nearly 30 million Americans suffer from diabetes and more than 86 million Americans are at increased risk for the disease. With these alarming statistics in mind, the Mary & Dick Allen Diabetes Center at Hoag makes a positive difference in the lives of people with diabetes through its clinical, educational and support services.

Thanks to the generous community, the Allen Diabetes Center is primarily supported by philanthropy, ensuring that no one is turned away because of inability to pay. Program Director of the Mary & Dick Allen Diabetes Center and Kris V. Iyer Endowed Chair in Diabetes Care, Daniel A. Nadeau, MD, is providing innovative medical care to patients and their families to help them take control over diabetes.

The Toshiba Classic Is A Symbol of Community Support for Mary & Dick Allen Diabetes Center
The Mary & Dick Allen Diabetes Center is honored to be the beneficiary of the Toshiba Classic for the past six years. Philanthropy is integral to all aspects of the Mary & Dick Allen Diabetes Center in order to continue to provide outstanding care to patients and their families. Diabetes is an expensive disease to manage. Through the support of the community, the Allen Diabetes Center provides comprehensive services for those with, or at risk for diabetes, regardless of their ability to pay.

On behalf of all Hoag patients living with diabetes, the Allen Diabetes Center is grateful for the tremendous financial support and community awareness brought by the Toshiba Classic.

Patient Centric
The Mary & Dick Allen Diabetes Center provides a comprehensive model of care that promotes long-term health for persons living with diabetes. This includes access to endocrinologists, social workers, nurse educators, dieticians and other health care specialists, to coordinate individual and personalized care for patients.

Using an effective combination of three key tools — medication management, nutrition strategies and psychosocial support — the physicians and certified diabetes educators at the Allen Diabetes Center take the time to educate and support their patients so that they can manage their diabetes effectively.

Unique Programs and Services
In collaboration with CHOC Children’s, the Mary & Dick Allen Diabetes Center offers pediatric endocrinology care, education and support services for children with diabetes and their families.

The Ueberroth Family Program for Women with Diabetes—Sweet Success, a program for pregnant women with diabetes offers classes and assessments for pregnant and breast-feeding women with type 1 and type 2 diabetes. Certified diabetes educators provide personal, detailed consultations related to medications, meal planning, and insulin instruction and pump training if needed.

The Herbert Family Program for Young Adults with Type 1 Diabetes, which caters to young adults between the ages of 18 to 30, addresses the financial, psychological, social and physical changes that challenge the young adult, their family and support system. It’s a safe place for young adults to come together to share their experiences and to find answers to questions that doctors and parents may not be able to answer.

The Allen Diabetes Center recognizes the importance of mental wellbeing of those affected by diabetes. As part of the services offered, patients are encouraged to visit with the Allen Diabetes Center’s clinical social worker who provides case management, interventions, psychoeducation and resources to patients who may be dealing with psychosocial issues that are impacting their health and daily functioning. By providing a link to these services, patients achieve personal goals regarding stress management, mental/behavioral health and development of coping skills to manage diabetes stress. To understand patients’ experiences of living with diabetes and the psychosocial impact of this condition, the Allen Diabetes Center conducts behavioral and psychological research with a focus on improving the health and lives of people with diabetes.

Under the guidance and vision of Dr. Nadeau, the Allen Diabetes Center incorporates the latest technology for those with type 1 diabetes and newer medications that facilitate weight loss for those with type 2 diabetes. Dr. Nadeau leads various research trials, as well educational presentations and other outreach activities, including support of a school garden program at a local elementary school to give students a hands-on experience while educating them about the importance of healthy nutrition, encouraging students to try new foods and reinforcing the benefits of making healthy choices.

Diabetes Education Leads to Healthier Lives
The Mary & Dick Allen Diabetes Center has one of the largest diabetes education programs in Orange County. Having this resource available to individuals and their families is integral to successfully managing diet, physical activity and medications, all of which will help avoid complications of diabetes and lead to a healthier life.

The Allen Diabetes Center offers classes on blood glucose monitoring, exercise guidelines, medication management, insulin instruction and insulin pump training. More advanced topics include prevention of complications, dining-out guidelines and counseling, sick-day guidelines and carbohydrate counting.

To reach every individual with diabetes, the Allen Diabetes Center offers free diabetes education and support classes, including community education presentations, healthy cooking and nutrition management classes, and healthy cooking demonstrations.

The All-New Volvo S90  
Our Idea of Luxury

When we designed our new luxury sedan, we had a single aim: to create a car that would redefine the idea of luxury. The result is the all-new Volvo S90, a car that blends the best of Scandinavian design with advanced technology to give you a new experience, beyond the commonplace and every day. A new kind of luxury. Our idea of luxury.

With a single glance, the S90 captivates you. Its powerful stance is confident and assured, the embodiment of a design philosophy that extends inside the car, where you’ll discover a cabin crafted from exceptional materials such as Swedish crystal and flame birch wood inlay.

In addition to styling, technology supports you without feeling overwhelming. From safety technology that avoids collisions, every one of the advanced features has been engineered to improve every journey. From the moment you settle into the driver’s seat, you’re in control. Always within reach of the 9-inch Sensus Touchscreen, which is angled towards you to create the feel of a cockpit. You’re surrounded by an environment where beautiful materials and advanced technology meet, creating a cabin that looks stunning and works perfectly.

The exceptional craftsmanship enhances the feeling of precision. Take the air vents, inspired by our latest concept cars. The metal-finish vertical strip and diamond-patterned control knob surfaces are beautiful to look at while remaining intuitive to the touch. In the S90, every component moves with the accuracy afforded by fine engineering. It is a car that gives you control over every part of your journey.

This is how a modern luxury sedan should be. Welcome to the all-new S90.

Balboa Bay Resort Enhances Meeting Space with Ballroom Renovation

Balboa Bay Resort, a public full-service hotel and resort located along the waterfront of the Balboa Bay in Newport Beach, recently completed a renovation project of its 6,000-square-foot Grand Ballroom and pre-function space. In addition to new custom carpet, wallcoverings, lighting, furnishings and art, the refreshed look also includes newly installed bi-fold doors that open the ballroom to an expanded interior pre-function area. The new design now reflects the serenity of resort’s Newport Beach coastal setting – a design of casual elegance and timeless style, using the colors of the sea, sand and sky, along with natural materials and rich espresso wood tones. Kay Lang + Associates was the designer of the project.

The recent enhancements to the Grand Ballroom and pre-function complete the fourth phase of a five-phase resort renovation project that began in 2014 with a complete lobby makeover and the addition of A&O Kitchen+Bar, a full-service waterfront restaurant and bar. Early this year, a full-scale renovation of all 159 guest rooms and suites was complete. The renovation project will be finalized in Q1 of 2017 with refresh of the resort’s pool area and full-service spa facility.
